On behalf of Pathfinder Youth Centre Society's Working Together Maple Ridge 7-1 program, we would like to thank you for your support with our Free Children's Summer Carnival.

This year's carnival was held on September 9th, 2012 at Memorial Peace Park and was a huge success! We had another incredible turnout this year of over 400 children and their accompanying parents.

The success of our carnival is largely based on the thoughtful contributions from organizations like yours.

We appreciate your community spirit and continued support.

A special "Thank You" to all of our donors, volunteers and to our community partners, Library Live On Tour, Westgate Wellness Centre, Allouette Addictions and JJ's Playzone who attended our event this year enhancing our carnival experience and overall fun filled atmosphere.

Our donors are so numerous this year that we can not mention all of them individually in this letter (I wish we could as they are all so amazing!) so I have attached a complete list of donors along with a certificate of appreciation and a copy of the article printed by "The Times" who did an amazing job reporting on this years event!

If you have any comments or questions regarding our carnival, are interested in further information regarding our organization and the programs we offer, or would like information on future events and fundraisers please feel free to call or email me at your convenience.

Once again, to everyone involved, a huge "THANK YOU" for your continued support.

Sincerely,

Alana Jackson - Administrator PYSC Maple Ridge

Partying in the park

Hundreds of families participated in the Pathfinders Youth Centre Society free children's carnival in Memorial Peace Park on Sunday, including seven-year-old Michelle Hyde of Langley (above) and three-year-old Taylor Beaudoin (right) of Maple Ridge. Showers held off until after organizers concluded the four-hour party that featured games, arts and crafts, facepainting, popcorn, cotton candy, bouncy castles, and other kids-related activities. Organizer Alana Jackson estimated 400 kids took part in the day's festivities. For more information about this youth mentoring organization, people can visit www.pathfinderyouthsociety.org.
